

# GERMANY, THE UNITED STATES, AND THE CHALLENGES OF THE 21<sup>ST</sup> CENTURY: A ROUNDTABLE AND NETWORKING SERIES PRESENTS

## ROUNDTABLE ON THE CHALLENGE OF CLIMATE CHANGE IN GERMANY AND THE US

Join experts from Florida International University, the German Consulate, and Miami-Dade County to discuss the challenges both countries face as a result of climate change. How have the responses of the two countries to climate change been similar or different? What can each side learn from the other to best prepare for the environment of tomorrow?

Speakers include Ms. Katherine Hagemann (Miami Dade County's Resilience Program Manager), Dr. Philip Stoddard (Department of Biological Sciences, Florida International University and South Miami Mayor), Dr. Markus Thiel (Florida International University Department of Politics & International Relations) and German Vice Consul Mr. Axel Zeissig.

The Roundtable will be followed by a Networking Reception featuring German music and refreshments. The event is free and open to the public; all are welcome!
